

Policy for Inactive Clients

Any Client account(s), where no trade(s) are executed for a continuous period of **six months** is treated as **Inactive Account(s)** and such account(s) will be suspended from trading. The securities, Financial Credit or any other assets will be returned to the client on his request or as per the running accounts authorization of the client. In case of Debit balance, we reserve the right to recover such dues by selling the securities or initiating legal proceedings or any other action as it may deems fit. Reactivation of such inactive accounts will be made only on personal written request from such clients for reactivation and verification of personal documents including that of **PAN card copy, Address proof, latest Bank Statement, income Tax return if any etc.**
